The tuition is a flat rate and is not adjustable for absences, holidays or calamity days and is due the first day of every month from September to May. Refunds are not given due to absences, holidays or calamity days. **Children are placed in classes on a first come, first serve basis once ALL required paperwork and forms are submitted.**

Ohio's Early Learning and Development Standards are used to guide our preschool program. This along with a comprehensive curriculum provides developmentally appropriate processes, adult interaction and learning experiences to prepare your child for kindergarten. The curriculum used is responsive to individual development and interests.

Our OVESC **Bright Beginnings Preschools** strive to:

1. Help each child recognize that he/she is a unique individual.
2. Provide opportunities for interaction with peers to develop social relationships.
3. Provide developmentally appropriate activities based on special interests of the child.
4. Provide a variety of materials and activities with time to explore inviting play.
5. Enhance and facilitate development in all learning domains: cognitive, language, adaptive or self-help, social/emotional, and gross and fine motor.
6. Assist children in learning to share, to cooperate and to socialize.
7. Prepare children for kindergarten success.

Play is said to be the work of children. Children develop physically, socially, emotionally, and intellectually, through the natural exploration of their world during play.

Self-directed play encourages a child's choice-making, exploration, social development, language development and cognitive skills as well as gross and fine motor skills in both quiet and active centers. These self-selected activities may include a housekeeping area, block area, sand or water table, puzzles, books, computer area, music and art programs.
