

Ohio Valley ESC

Bright Beginnings Preschool

Do you have a child who is or will be turning three years old? Have you thought about Preschool? The Ohio Valley ESC operates Bright Beginnings Preschool for students 3 to 5 years of age. It is a comprehensive program based on best practices in early childhood education and provides developmentally appropriate processes, adult interaction and learning experiences. The curriculum used is responsive to individual development and interests of the individual child. For questions or additional information please contact:
