

SAVE THE DATE
July 20, 21, and 22, 2020
Students Solving Problems
Summer Teen Camp

What:

A 3-day experience with activities, workshops, and speakers focusing on positive mental health for teens, leadership, & career pathways for medical health, behavioral health, and philanthropy. Activities will include a career panel, scenarios / role playing, community service project, and yoga and other self-care activities.

Who:

Incoming Washington County
10th, 11th, & 12th grade students

Where:

TBD – If able at BB2C Epicenter,
if not will be held either virtual or hybrid

Time:

Approximately 9am – 3pm
Lunch provided if meeting together

Cost: FREE

Thanks to our funders: Washington County Behavioral Health Board,
Marietta Community Foundation & the Sisters Health Foundation

Interested: Contact Suzy Zumwalde to be added to the interest list
szumwalde@buildingbridgetocareers.com
Communication will follow with location and details
