

August 6, 2020

My Fellow Leaders,

The Ohio Valley Educational Service Center is pleased to announce our 2020 Substitute Orientation Conference: ***Restarting with Excellence*** will be held on Wednesday, August 19th. Substitutes will have the opportunity to receive training in reopening procedures, classroom management, the Licensure Code of Professional Conduct, school procedures, lesson planning, mental health, and much more! Other highlights include licensure support, COVID-19 guidance, and the opportunity to learn from topic experts in small groups. We even have door prizes.

Substitutes may register for either the morning or afternoon session by clicking on the **[registration link](#)**. \$50 will be paid to substitutes registered with OVESC districts and potential substitutes will be given licensure support.

We look forward to helping your team of substitutes get off to an excellent start! Please do not hesitate to contact me at brad.lanier@ovesc.org or (513) 646-5475 if you have any questions.

Sincerely,

Brad Lanier
Director of Teaching & Learning
