## McKinney-Vento and Family and Community Partnership

September 2022

### A Busy Start

#### August:

-Presentation at the OSBA meeting to showcase some of the programs and services we provide our McKinney-Vento students

-McKinney-Vento presentation at the Guernsey County CCS meeting

-Family and Community Partnership meeting with ODE focusing on school attendance

#### September-

-District liaison meeting focused on supports for identification, the Kids Read Now program, emergency housing plans, and "coming soon" programming

-Updated the website

-Distribution of school supplies, clothing and shoes, and hygiene items to students and families

-Networking with community partners to obtain resources for our students and families

-Hired 2 McKinney-Vento tutors for Switzerland of Ohio schools

-Family and Community Partnership meeting with ODE focusing on moving from direct support to empowering school districts with resources to support their students and families

-Family and Community Partnership Liaison:

- Assisted a two-family household with rent
- Assisted 2 families with utilities
- Set up home delivery of groceries through a local church

### PROJECT LIFT

Our Mission is to lift students and families by helping meet academic, emotional, and physical needs through McKinney-Vento and Family and Community Partnership supports and services.

### District Highlight- Belpre City Schools Eagle Clawset

The Belpre Eagles have a place where they can go for clothes, hygiene products, non-perishable foods and other necessities- the Eagle Clawset.

McKinney-Vento Liaison and Eagle Clawset founder Mike Seebaugh noted that items are collected through

community donations and federal funds. Items may also be purchased through the OVESC's McKinney-Vento grant.

While the Clawset isn't a long term solution, it is designed to help students and families until they can find other resources or in emergency situations.
