Enrollment in Preschool:

- Children are enrolled upon the completion and submission of required paperwork and the availability of classroom slots.
- Tuition options include:
 - private pay
 - access to the *Tuition Assistance Program*
 - the *Early Childhood Education Grant* (pending age, income, and district eligibility).

Special Education Evaluation:

Students can be evaluated to determine an educational need for special education services in the following areas:

- » Communication
- » Large or Small Muscle Movement
- » Taking Care of Own Needs
- » Hearing
- » Vision
- » Thinking and Problem Solving

**Upon qualification, services will be provided.*

Mission:

- Our mission is to provide preschool services to ALL eligible children in an engaging, fun and safe environment. We will support families to encourage participation in their school communities!
