Some districts opt to be charged based on actual utilization.

The only exception is that any 1:1 aides within the preschool program are billed directly to the district to which the student belongs.

Program Allocations:

Programs operated by the ESC, such as the REACH program and Opportunity school, are allocated to all participating districts based on each district's percentage of share of total enrollment in program.

Alternative School

Participating districts purchase seats for their district to send students to the program.

Professional Development to Outside Districts:

Team of 1 Individual 800.00 Per Day Plus applicable mileage & travel expenses

Blue Sky Virtual Academy:
