

POSITION VACANCY

Date Posted: February 11, 2026

Position: STEM Career Exploration – Zanesville Middle School Satellite Program

Reports to: Coordinator of Satellite Programs

Starting Date: August 2026

Salary Range: Per Negotiated Agreement

Work Year: 185 days

Qualifications:

Experience and education in areas related to Science, Technology, Engineering and Mathematics. Career-technical license or Ohio 4-9 Middle Childhood teaching license or the ability to earn a license to teach (must have required work experience/education in a career field related to the S.T.E.M. disciplines and willingness to take college classes). Meet and communicate with business and community leaders. Ability and willingness to work with students of a variety of ability levels. Meet health requirements as established by state law and the Board of Education. Pass criminal background checks as required by law.

Responsibilities:

Grow students in their understanding of the key career skills necessary to obtain and retain a worthwhile job. Expose students to STEM related careers in multiple disciplines. Communicate with community and business partners to share their experiences with our students.

Application Deadline: February 27, 2026
